Dear Ms. Cognata,

On Friday, May 12, 2006 the City of Sheboygan will again be hosting Rockets for Schools. This is our tenth year of Rockets for Schools. Over the years the event has expanded and become more popular each year.

We appreciated the Aeronautics Environmental Traveling Bus being an important part of our event the past few years. We would like to again request the Bus be present at this year's event from May 10-13, 2006. Please consider our request, and if you have any questions, do not hesitate to contact me.

Sincerely,

Juan Perez, J.D.
Mayor, City of Sheboygan
